Subject: Ex. 4 - CBI Certification

Chris,

Thank you for agreeing to meet next Monday. In attendance from FCA will be myself, Bob Lee (Head of Powertrain), and Mark Chernoby (Chief Technical Compliance Officer).

I would just like to confirm our intent for this meeting is to only discuss the Ex. 4 - CBI certification. As such, we will not have any legal representation participate. Also, since we are on a critical timeline for our production, would you agree to requesting CARB to call in?

Please let me know your thoughts.

Thanks

Mike
